

For your safety

We have followed government guidelines, and completed our risk assessments to ensure both you and our staff stay as safe as possible. To that end, we politely request that you follow the risk mitigation procedures that we have put in place.

We would like to welcome you all back. It really is lovely to see you.

These truly are unprecedented times.

We have been keeping busy putting in place a variety of safety measures, which, no doubt, we are sure you have noticed.

During lockdown, we started a collection and delivery service and we are grateful to you all for supporting this service.

Due to its popularity, we plan on continuing this service for the foreseeable. Orders can be placed through our website:

www.yorkshirefisheries.co.uk

In order to prevent a second wave, the government requests that we take a contact name and address of all groups/ individuals entering the premises. This information will help track and trace any outbreaks. Please fill in the slip provided. By completing the form, you agree to allowing Yorkshire Fisheries to keep your details for a maximum of 21 days, after which your information will be destroyed.

We have further enhanced our cleaning procedures, wiping down contact surfaces more frequently. Our staff also wash their hands more often.

We have limited the amount of people accessing the toilets. Please observe the installed lighting system which will indicate when it is safe for you to use the facilities.

We have limited the number of tables to ensure 1m plus. Our staff will wear PPE to protect both you and themselves from infection.

We have adopted a one way entry and exit system. Please exit through the door in the corridor.

We have respectfully ask that you observe social distancing and use the markings indicated. It has also been recommended that you sit side by side as opposed to face to face.

We have provided hand sanitiser for your use.

Contactless payment is preferred. Payment will now be taken at your table to minimise any queuing at the counter.

We pride ourselves on our crisp, golden batter and our fish are cooked to order. You can choose to have your fish with the normal amount of batter, lightly battered, or steamed. Please state your preference when ordering. All our fish is cooked to order, and we appreciate your patience during busy periods.

Where possible, we aim to source and support local quality produce and businesses.

We are aware of our responsibilities towards responsible fishing. Therefore, we only source cod & haddock which has been fished in sustainable waters. We only fry in certified eco-sustainable palm oil.
